The National Guard, the oldest military organization with over 300 years of service, offers high school seniors an opportunity to discharge their six years military obligation with a minimum of four months active duty training.

You can enlist now and at the same time complete your senior year of schooling.

You will be paid for attending each drill session.

After graduation, you will go on active duty for four to six months depending upon your military job.

Once home, you will be completely free to pursue educational or employment plans.

With two weeks a year at summer training camp, you can meet your reserve obligation right here in Searcy County.

These pictures were made on the junior class trip to Hidden Valley Ranch. At the top left is a group taking a surrey ride. At the right a group of juniors modeling their new straw hats. In the second row, left, is the swimming pool filled with juniors who enjoyed this very much. To the right, Carolyn Eggers displays her archery skill. At the bottom, we have Lonnie Griffith, who seems to be afraid of the sun.

These pictures were made on the junior class trip in 1963. At the top left are Kay, Ellen, and Carolyn as they prepare to try the bicycle. At the right Mike, Jim, Shirley, and Ronnie are ready for that horseback ride. In the second row left are Cora, Sue, and Tommy resting after a swim.
